Food regulations: The sale of food products is subject to Government Regulations. **ALL** food sellers must have a **STREATRADER Registration and a SOT (Statement of Trade)** submitted for the date/s they intend to trade. STREATRADER is an on-line registration system for all mobile and temporary food traders throughout Victoria. It lets Council know who is trading where and when and if the trader has been approved in the municipality they have come from or are one of our local businesses/organisations. Even if you already have a registration with council for a fixed premises food business, you need to register with STREATRADER if you will be selling food at another location.

Even if you are a **charity, not-for-profit, or fund raising organisation**, you must register with STREATRADER. There will be no fee incurred for local charitable organisations, or for local businesses that otherwise pay Food Act registration for their fixed premises. Even if you are only providing tea/coffee, drinks or other pre-packed low risk food, you must register with STREATRADER.

Food stallholders are required to attach the appropriate certification to their booking form and bring their food plan with them to the market.

STREATRADER can be accessed at <https://streatrader.health.vic.gov.au>.

Enquiries about food regulations must be made to the Health Inspector at the Indigo Shire offices phone 02 6028 1100.

Any other refunds will be done at the discretion of the coordinator, depending on the reasonableness of the cancellation.

The Mighty Mitta Muster Committee and its designated Organisers reserve the right to refuse a site to any stallholder not complying with any of the above requirements or who use offensive language.

Inclement Weather: Stallholders are advised that the market will go ahead whatever the weather, and no refunds will be made. Stallholders should come prepared with protection for their wares in case of inclement weather.

Setting up: Details of setting up will be forwarded to you, together with a site plan, 1 week prior to the market via email or mail. Sites will be marked on the ground and numbered. Setting up available from 7.30 am on the market day.

Stallholder Vehicles must not be in the stall area after **9.30am** or before **4pm** to avoid disruption to other stalls and pedestrians. An area of the park is made available for stallholder parking during the hours of the market.

Stallholders must provide all of their own equipment such as marquees, tables, power leads, etc. As some sites are not completely level it is suggested that leveling blocks also be packed to level tables and stands.
